

ROBERTS NAYLOR K-8

OCTOBER NEWSLETTER

Words from Ms. Rosthenhausler

Hello Phoenix Families, teachers and students have been gearing up for our first benchmark testing which began at the end of September. We have been looking at the data and students are starting off the quarter very strong. Our middle school Math Team has done a tremendous job ensuring that students understand the standards that Arizona deems as crucial for middle school students.

Roberts Naylor is trying its best to improve overall student attendance. Please make sure that your student is coming to school every day and on time! With that being said, we have many students that are tardy when walking from class to class. This applies to 6th, 7th and 8th graders. Please remind your student to go straight to class and not linger in the hallways speaking to friends. We have begun enforcing the TUSD Code of Conduct and will be enforcing students with consistent tardies. In middle school a student goes to a class for about 53 min. When they are five minutes late every day it takes away from important learning and a student can miss twenty-five min. a week and 100 min. a month. This can cause a severe loss in learning.

Furthermore, please take advantage of our Roberts Naylor Book program. As you enter the school you will notice a little area which houses free books. You can take a book read it, bring it back, and take another book. There are a variety of books for all ages. Feel free to drop by anytime.

Reminders for the Month:

- **-\$1 Dress down will be every Friday.**
- Remember, no full red shirts, shoes, pants, no spaghetti strings or off the shoulder blouses etc. Only minimal red.
- **No ripped jeans.**
 - Next Cafecito is Wednesday, November 8th @ 9:00 a.m.
 - Site Council meeting Thursday, November 2 @ 3:15 p.m. in the front office
 - Halloween Parade will be on Tuesday, October 31st. at 9:15 in the morning.
 - Spirit week will be the week of Oct. 30th-Nov. 3rd.
 - Trunk or Treat Oct. 27th from 5pm-7pm. PCC campus Games, candy & more

What's Happening at Roberts Naylor K8?

As we continue strong into 2nd quarter please make sure you are doing all you can to nurture your student's education. You can play a big role in their success by continuing to do the following items:

- Make sure your child is on time to school and is present each day.
- Remind your student to practice being Respectful, Responsible, Safe and Kind
- Periodically take a look at your student's grades on Parent Vue, if you need assistance call the front office or [email our front office staff](#). She will gladly assist!
- If you need assistance with resources for your student or family you can [email Ms. Clara](#). She is our community Liaison and is there for our families.
- You can go to Parent Vue to check missing assignments, grades, tardies and absences.
- Send your student with a water bottle as we only have fill stations and no longer have traditional water fountains.
- Read a book to or with your student at home. This will assist with reading comprehension skill and allow for precious time with your child or children.
