

# ROBERTS NAYLOR K-8

## APRIL NEWSLETTER

### Words from Ms. Rosthenhausler and Ms. Marchioni

Hello Roberts Naylor Families, the school year is going by so fast and Arizona State testing is here. We are very excited to show the state that we have some amazing students and celebrate our learning. Please make sure that your scholar shows up to school on time for testing. This will allow them to do their very best on the test.

Thank you to all of you that showed up for the Academic and Character Awards Assembly. Our students are so thrilled when their families join us in the celebration of their success.

### Reminders for the Month:

- April is testing month. Please make sure that your scholar has a good night's sleep, and they can eat breakfast at home or for free at school.
- \$ Dress down on Fridays only. This will allow us to keep our Phoenix store stacked with goodies for kiddos that earn Phoenix bucks.
- Just a reminder that students are not allowed to wear ripped jeans, noodle strap shirts or shirts that show the abdomen.
- It is very warm during lunch recess. Please have your students bring water bottles and LEAVE the jackets and hoodies at home.
- 

### What's Happening in the classrooms?

Time to Celebrate: On March 28 our day was filled with grade level Benchmark parties! We took some time out of our busy schedule to celebrate and affirm the students who give it their best effort everyday at school. We celebrated with cold treats, volleyball, soccer, music and dancing. The kiddos had a great time and truly deserved it due to their best effort on the benchmark tests. A big THANK YOU to Mr. Carrillo for bringing his treat cart for the kiddos to use during the celebrations.

Upcoming 4<sup>th</sup> and 5<sup>th</sup> grade news. In the school year 24-25 we will be offering band and orchestra to 4<sup>th</sup>, 5<sup>th</sup>, and middle school students. This will be the first time that we offer band to all 4<sup>th</sup> graders. Our hopes are to ignite a passion for the Arts.

## Exciting News from Our Teachers:

The track team is doing a great job with many personal goals and hard work. We are very proud of them. We have some outstanding athletes competing in the running and field events. Ms. Shirley and Mr. Raine are working hard with the kids.

Our kindergarten teachers are doing a great job with the kiddos and they are excelling in the areas of Reading and Math.
