## DECEMBER NEWSLETTER

### Words from Ms. Rosthenhausler

Hello Phoenix Families,  
First semester is coming to a close and winter break is just ahead. As we approach the festive season, we want to take a moment to extend our warmest wishes to all of our families and community. May this December be filled with joy, togetherness, and cherished moments with your loved ones. We appreciate each and every one of you and hope that this month brings an abundance of happiness and peace into your homes. Thank you for being a part of our Roberts Naylor community.

Teachers, staff, and students are continuing to ensure that students are learning from bell to bell. Please make sure you are bringing your students to school each day and on time.

Books, books, books. On your way to the front office, stop by our book nook and take a book or leave a book. Always feel free to take a book or two to read with your kiddo(s).

Vaping: As we know vape pens have become a safety issue and problem for middle school students. Please be aware that there are adults in the community selling vape pens to our students. Please talk to your child about the health risks

## What's Happening at Roberts Naylor?

We want to give a big thank you to all the parents that are supporting their students. You bring them to school every day and on time. You make sure they are prepared, and your student brings their best self to school. Give yourself a big pat on the back for all you do as a parent! We also want to take time to thank our young scholars as well. They give it their best, build relationships, work through academic struggles and are building their academic skills. We are so proud of all of them! Lastly, let's all give a big Thank You to our teachers and staff!
