Words from Ms. Rosthenhausler and Ms. Marchioni

Hello Phoenix Families, I hope you all had an enjoyable Labor Day.

Our sports season is underway and starting off strong! The Boys Basketball team is having a great year on the court. They are being coached by our very own **Coach Nikki**; she is doing a tremendous job as are the boys. Way to go!

Our girls Volleyball team is having a very successful season. They are coached by our very own **Coach Lesco**. We have great spikers, setters, blockers and servers. We are very proud of their hard work! Keep it up girls!

Reminders: TUSD has transitioned from traditional water fountains to fountains that fill water bottles only. Please ensure that your child has a water bottle from home with their name written in permanent marker.

Parents need to pick up their students on time after school, especially on Wednesdays.

Parents: Remind your children not to bring Any toys to school as we are not responsible for them, and they take away from instruction.

Roberts Naylor does not have an after-school program. Students can attend the Boys and Girls club if parents are seeking after school care.

Site Council meeting coming soon in October. If you would like to be part of our Site council, please [email Stephanie Rolls](#).

Parents, please make sure you are up to date on Parent Vue this will allow you to see your child's grades when needed.

Attention Parents:

Dismissal for 6th graders
If you have a 6th grader, we are asking all parents to park and wait for your 6th grader on the north end of our parking lot that faces the church. This will allow for our elementary kiddos to get picked up right away and move the flow of traffic. Thank you for your patience as enrollment has increased and created more traffic at dismissal.
